### About CAFR

Established in 1999 by The Hong Kong Polytechnic University (PolyU) in collaboration with Tsinghua University, *China Accounting and Finance Review* (CAFR) is the first refereed journal of accounting and finance published in the Greater China Region. The Journal has recently undergone significant changes to reshape its academic focus and to attract a global editorial board (<https://af.polyu.edu.hk/research/our-journals/china-accounting-and-finance-review-cafr/>). Beginning in 2019, CAFR will publish papers on global issues as well as on China-specific topics.
